<sup>1</sup> Adapta Points are earned on eligible purchases posted to your Credit Card Account, less all returns and credits. Cash advances, CIBC Global Money Transfers™, optional credit card insurance premiums, fees, interest, balance transfers, payments, CIBC Convenience Cheques, adjustments or Adapta Points redemptions are not eligible purchases.

You will earn 1 Adapta Point for each whole dollar (\$1.00 CAD) on every eligible purchase posted to your Credit Card Account.

You will also earn 0.5 bonus Adapta Points for each whole dollar (\$1.00 CAD) on every eligible purchase in the 3 Spend Categories with the highest total of net eligible purchases, as determined at the end of each Credit Card Account statement period.

Adapta Points and bonus Adapta Points are calculated for each eligible purchase individually. Cents do not earn Adapta Points, bonus Adapta Points or partial Adapta Points.

Bonus Adapta Points may only be earned on the first \$40,000 in net annual card purchases on your account (meaning all eligible purchases by all cardholders, at any type of merchant). This limit will reset the day after your December Statement Date.

<sup>2</sup> The Spend Categories for which you may earn bonus Adapta Points are: Grocery and Drug Stores, Gas and EV, E-Games and Subscriptions, Clothing, Pet Stores, Transit and Parking, Home Improvement, Health and Beauty, Dining and Drinks, Entertainment, Electronics, Hotels and Motels.

Eligible purchases are categorized solely by the Merchant Category Code ("MCC") used by merchants in the credit card network. CIBC has no control over how merchants are classified in the credit card network or on the MCCs they use. Your eligible purchases may not always be categorized as you expect under the Program. For example, this may happen at large retailers offering very diverse products or services, such as wholesale stores or online retailers, where the MCC used by the merchant may not reflect the type of some or all of the goods you have purchased. CIBC will not change, transfer or recategorize any eligible purchase you have made to a different Spend Category, or issue additional Adapta Points because a purchase is not categorized as you expected. For more information about the Spend Categories and the MCCs they include, please visit: <https://www.cibc.com/mcc>.

Spend Categories and their corresponding MCCs are subject to change, without notice to you.

<sup>3</sup> You may redeem your Adapta Points toward payment of your outstanding credit card balance or toward a recent purchase. You must have a minimum of 1,500 Adapta Points in your Adapta Account to redeem points toward your card balance or a recent purchase.

Every 1,500 Adapta Points you redeem is equal to a \$10 CAD payment to your outstanding credit card balance.

Adapta Points may only be redeemed by the Primary Cardholder. Your Credit Card Account must be in Good Standing in order to redeem Adapta Points. Adapta Points may be redeemed on CIBC Online Banking and CIBC Mobile Banking, or any other method we make available to you from time to time. When you redeem Adapta Points, additional terms and conditions specified at the time of redemption may apply.

If it appears that you have sufficient Adapta Points at the time you request Adapta Points to be redeemed, but you in fact do not, you authorize CIBC to do any of the following, regardless of the reason for the deficiency:

a) complete your redemption request, but only for the number of Adapta Points then available in your Adapta Account; or

b) cancel the request.

Redemptions are non-refundable, non-reversible and non-transferable.

<sup>4</sup> You may redeem your Adapta Points toward payment of your outstanding credit card balance or toward a recent purchase that was authorized, but that has not yet been posted to your Credit Card Account. You must have a minimum of 1,500 Adapta Points in your Adapta Account to redeem points toward your card balance or a recent purchase.

Every 1,500 Adapta Points you redeem is equal to a \$10 CAD payment to your outstanding credit card balance or a recent purchase.

<sup>5</sup> You may redeem your Adapta Points to make payments or contributions toward eligible financial products you hold with CIBC. Specific terms and conditions based on the financial product you choose will apply, and will be specified at the time you redeem your Adapta Points. You must have a minimum of 1,200 Adapta Points in your Adapta Account to redeem points toward select CIBC financial products.

The eligibility of select CIBC financial products and the terms and conditions to complete the redemption are subject to change, without notice to you.

Every 1,200 Adapta Points you redeem is equal to a \$10 CAD payment or contribution toward a select CIBC financial product.

<sup>6</sup> Roadside Assistance is provided by Dominion Automobile Association. CIBC and its affiliates are not liable for these services. For details about these services, refer to the [Auto Club Membership Handbook](#).

<sup>7</sup> "Paperless" record-keeping is a paper-free alternative to printed statements. This option enables clients to track account activity online or by phone or CIBC bank machine. Please note, no printed statements will be sent to clients selecting this option. Clients must review their account transactions through CIBC Online Banking, CIBC Mobile Banking (where available), CIBC Telephone Banking or CIBC bank machines at least once every 30 days and examine all entries and balances at that time. If there are any errors, omissions or irregularities, clients must notify CIBC in writing within 60 days after the date on which the entry was, or should have been, posted to the account.
